EDUCATION

National Institute of Technology, Kurukshetra, Bachelor of Technology

2023 — 2027

- Branch: Electronics and Communication Engineering
- CGPA: 9.0247

Jawahar Navodaya Vidyalaya, Madhepura, Bihar, XII (CBSE)

2021 — 2022

- scored 95%

CURRENT PROJECTS

Quote Genrator Site

- Developed a dynamic Quote Generator website that fetches and displays motivational quotes from various authors. The website features an intuitive and responsive UI, ensuring a seamless experience. Additionally, it includes a 'Tweet Quote' functionality, allowing users to instantly share inspiring quotes on Twitter

Notes App

- Developed a feature-rich Notes App with a clean and intuitive UI for efficient note-taking.
- Implemented CRUD functionality to allow users to create, update, and delete notes seamlessly.
- Integrated local storage support, ensuring notes persist across page reloads and browser sessions.

Personal Portfolio Website

- Developed and deployed a fully responsive portfolio website using React.js and CSS.
- Implemented smooth scroll navigation for enhanced user experience.
- Structured sections for personal introduction, technical skills, project showcases, and contact.
- Integrated a contact form with email functionality to receive messages directly via mail.

SKILLS

- Programming Language: C, C++, Javascript
- Development: HTML, CSS, Javascript, React.js
- Computer Science Fundamentals: Data Structures and Algorithms, Object Oriented Programming
- Soft Skill: Communication Skill, Teamwork, Adaptability

ACHIEVEMENTS

Runner up in Code Run contest run by Technobyte (a technical society of NIT Kurukshetra)

Solved 300+ problems on Leetcode and Gfg

Achieved top 3 percentile rank in JEE Main

Awarded Reliance Foundation Scholarship
